

Are You Ready?

(click image to open)

SECTION 1: PLANS & COMMUNICATION		
Has your family discussed and understood the appropriate actions to take before, during, and after an earthquake or emergency?	Y	N
Have you established a family emergency plan and designated an out-of-state contact person to check in with?	Y	N
Does every family member know the designated gathering place for an evacuation?	Y	N
Have you and your family members participated in emergency preparedness training such as CPR, Clallam Ready Sequim, or CERT training?	Y	N
SECTION 2: FIRE SAFETY		
Has your family practiced the fire escape routes from your home?	Y	N
Are fire escape ladders available and stored in the proper on upper floors?	Y	N
Do you own fire extinguishers, and do all family members know how to use them?	Y	N
Are working smoke and carbon monoxide alarms installed in the required locations?	Y	N
SECTION 3: HOME & UTILITY SAFETY		
Have you secured heavy objects and furniture (e.g., bookshelves, TVs) that could fall and cause injury during an earthquake?	Y	N
Do you know when, where, and how to shut off the main water & gas supply to your house?	Y	N
If a special tool is needed to shut off utilities, do you have one readily available?	Y	N
SECTION 4: GEAR & SUPPLIES		
Are functional flashlights or other battery-operated lights accessible in every occupied room?	Y	N
Do you keep sturdy shoes and a hard hat, near your bed for quick access?	Y	N
Do you have "go bags" packed and ready to go at a moment's notice?	Y	N
Do you own an emergency radio or walkie-talkies and know how to use them?	Y	N
Do you have basic tools for minor repairs (work gloves, masks, etc)?	Y	N
SECTION 5: LONG TERM SURVIVAL		
Do you have a 30+ day supply of water and food for all household members and pets, and a safe means to cook it?	Y	N
Do you have a 30+ day supply of medical supplies and prescriptions?	Y	N
Do you have an alternate, safe way to heat your house if necessary, during a power outage?	Y	N
Do you have a plan for sanitation and toilet facilities if an extended water shortage occurs?	Y	N

SCORE YOUR RESULTS –

COUNT "YES" BOXES TO SEE WHERE YOU STAND

18-20 Checkmarks: Disaster Master! You are exceptionally well prepared.

12-17 Checkmarks: Getting There... You have the basics, with some critical gaps.

Under 12 Checkmarks: Time to Prep! Focus on the "NO" items starting with utility shut-offs and communication plans.
