

#### **CLALLAM READY SEQUIM GOALS:**

- Educate Sequim residents about types of potential local disasters
- Prepare individuals and neighbors to be 30+ days self-reliant
- Assist residents with forming teams within your neighborhoods to:
  - Create Contact, Skills and Equipment lists
  - Create neighborhood maps identifying hazards, utilities, etc.
  - Perform Reconnaissance,
     Communications, Care activities
  - Communicate assistance needs to CERT leadership following a disaster
- Get individuals and neighborhoods ready for the long haul, with comprehensive plans addressing food, shelter, care and more

FAILURE TO PLAN = PLANNING TO FAIL

Emergency Preparedness Partnership sponsored by Clallam County Fire District 3 <a href="https://www.ccfd3.org/">https://www.ccfd3.org/</a>

# INTRODUCING CLALLAM READY SEQUIM (CRS)

Established in 2024

Washington State is Earthquake Country!

Preparing Neighborhoods
Before Disaster Strikes

Be Prepared...Not Scared

#### IN A DISASTER...

Advanced preparedness save lives, reduces severity of injuries and trauma, and reduces property damage. It is your responsibility to be prepared. No one can do it for you.

Clallam Ready Sequim neighborhoods ensure our community as a whole better survives everything from a county wide power outage to a disaster such as Cascadia Subduction Zone earthquake and tsunami.

#### LEARN...

- Steps to take immediately following a disaster
- How to create an emergency plan
- Community warning / alert systems
- · Evacuation procedures for your area
- Identify and develop personal & neighborhood specialized skills
- Map your neighborhood to identify areas of concern such as utilities
- Designate a safe Gathering Place
- Shelter locations nearest you
- Identify neighbors with special needs
- Follow up with your neighbors. Share ideas on plans specific to your area

#### CRS will provide:

- Invitation template
- Training & Materials
- Assistance with meeting & follow up, and more

Classes average 60 minutes

# HOW TO SET UP YOUR NEIGHBORHOOD TEAMS...

- 1. Identify your neighborhood boundaries
- 2. Establish meeting time & place
- Invite your neighbors
- 4. Hold Clallam Ready Sequim meeting
- 5. Select coordinators & define teams
- 6. Identify a communication system
- 7. Hold follow up meetings/practices
- Schedule additional training on pertinent subjects such as preparedness kits, utility safety

## Resolve to be Ready

Are you prepared for an emergency?

Rebuilding community resilience following a disaster depends on the emergency capabilities previously developed and active engagement of the community in personal preparedness, and development of social networks.
